

LIMERICK CITY AND COUNTY COUNCIL
MUNICIPAL DISTRICT OF NEWCASTLE WEST
MEETING TO BE HELD ON WEDNESDAY 7th DECEMBER, 2016

Question submitted by Councillor F. Foley

I will ask at the next Meeting for an update on a possible site for a new burial ground in Abbeyfeale.

REPLY: The Council has been actively pursuing a suitable site for the development of a new burial ground for Abbeyfeale. Two sites have been identified.

Site investigations have been carried out on the first site and this site has been deemed unsuitable.

Site investigations have yet to be carried out on the second site but from preliminary investigations it would also appear unsuitable. A full site investigation will be carried out and Members will be circulated with the results.

The Council is currently considering all options for the provision of a burial ground in this area.
